# Freshman Orientation

Does anyone remember what happened during freshman orientation? Certainly no freshmen do. Our minds were messed enough by weird roommates, SAGA food, and the "sprawling" UD campus. How could anyone expect us to remember what we did? True, vague memories of a steak dinner cooked on the quad and a picnic at some strange school, do come to mind. Yet, when you ask us which professor we ate dinner with, or how we liked the college simulation game in the J.C. Lounge, or the little old lady who gave us the bus tour of Dubuque, please forgive us if we reply with a blank stare. "Stupid Freshman," you say. Well, do YOU remember YOUR freshman orientation days?

## 1973 OUTLOOK

The 1973 Spartans once again experienced a winning season under Coach Maury Waugh's guidance. Experience and teamwork guided the team to a 4th place finish in the always tough Iowa Conference. Next season the Spartans will no doubt be in contention for the Conference Championships and a National Ranking. With the loss of very few seniors, and a great deal of experience returning the Spartans will have the confidence and experience to bring the Conference Championship to the University of Dubuque.

One of the biggest thrills of the season was the victory over William Penn, which WAS the number one ranked team in the N. A. I. A. Division II.

This years team captains were: Dick Mullen, Steve Fetzer, Kevin O'Neil, and Earl Crutchfield. Rich Miller was named the Offensive MVP and Steve Fetzer was the Defensive MVP, Rich Nelson defensive back, Steve Fetzer linebacker, Steve Brown offensive lineman, Murphy Anderson offensive lineman, and Earl Crutchfield offensive back were named to the All-Conference Teams. Anderson, Brown, and Fetzer return next year.

## 1973 Football Cheerleaders

Stephanie Karras (Captain), Debbie Gough, Hope Burton, Jeannie Showalter, Peggy Berg. We had some well spirited fans this year, as the cheerleaders helped to move them along. The girls are proud of their team and try their hardest to let them know it.

## We're The Spartans And We're Proud To Let You Know It!

The Big Blue Machine is always on the move and so are our five young spirited cheerleaders. Cheering for pep rallies, home and away games they are always on the go...

# 1973-1974

"Why, then, ever run?"

"Well, cross-country runners will tell you, when you run you get to know yourself.

You run and you get tired, and you get a second wind. Pretty soon you're just going on guts. You're making yourself do things you never thought you could do - and then it gets tougher.

When you feel like you've had the spit kicked out of you, it's almost euphoric - as though you are no longer part of your running body.

You are up and above and looking down at yourself, way down deep inside, because everything has been stripped away, clear down, some say, to your very soul.

It's all there for you to see. So if you like to look, it's simple. You keep running. "\*"

And run is what the University of Dubuque's Cross-Country team did this year. This year's team lacked both numbers and experience, but proved to be a pleasant surprise. It consisted of 3 Freshmen: Chip Jensen, Dale Hackney, and Greg Cranton; 2 Sophomores in Rick Herrig and Mark Middlebrook, and 1 Junior in John Kane. Although they lacked college experience, the team ran outstanding on many occasions, sometimes while nursing injuries. Bright spots in this years season include dual meet victories over Cornell, Coe, and a strong Wartburg team, and a 2nd place finish in the 16-team Spartan Invitational at Aurora, Illinois. The stridders also finished 3rd in the Iowa Conference West being edged out by Central for second place by a score of 81-82.

The future looks bright for U.D.'s cross-country team and success is just around the corner. Tapping the talent is all that is needed - watch out for them next year.

This year's results are listed below:

Dual Meets (3 wins, 2 losses)

Dub. 44---Loras 17

Dub. 46---Plattville 15

Dub. 20---Cornell 34

Dub. 21---Coe 34

Dub. 25---Wartburg 30

Other meets (team points and place finishes)

Not quite fast enough yet!

Skirts below knees, baggy sweaters, hair greased back and leather jackets, we all stood waiting for the band to arrive. The dance, scheduled to begin at eight o'clock, didn't start till ten, but lack of music didn't seem to bother anyone. The beer (and cokes) flowed freely and everyone seemed to have a good time just laughing at themselves and each other. Nevertheless, when the band, "Spiff Kool and the Keno Jets", arrived and announced they would play as long as we liked, the real party began. Greaser couples were jiving and jitterbugging to the old tunes of the fifties. It wasn't until two AM that we ran out of energy and 1950 became a thing of the past once more.

# A Weekend Of Activity

Homecoming weekend got off to a good start Friday afternoon when students gathered on the quad for fun and games including tug-of-war, tricycle races, and a gold fish eating contest to name a few. That night, a pep rally was held on Chalmers Field at which time the Homecoming queen and her court were presented and crowned. Next was a pep talk by Professor R. W. Sandven and fireworks followed. Saturday afternoon there was standing room only in the football stands as the Spartan football team tied Luther College 14-14. The Stage Band provided half-time entertainment. In addition to the regular Homecoming activities, the drama department performed all three nights in the Ugly Duckling Theater.

Oh Boy now's my big moment . . .

# A Night Of Memories

at Riverside Bowl.

Contrasting sharply with the fifties dance, the Homecoming dinner and dance was a more solemn affair. Held at the Riverside Bowl, it was the first Homecoming dinner in five years and, with an attendance of about three hundred couples, it was the largest of the University's homecomings. The night's activities included a social hour and wine tasting party, a catered dinner, awards presentation and ballroom dancing. There was also entertainment provided by the Collegiate Singers. All who attended, students and alumni, were sad to see the long-anticipated night draw to a close.

The group is made up of many students who live outside the United States. They have meetings regularly and often get together just for fun.

### CAMPUS HEARING BOARD

The function of the Campus Hearing Board is to act as both an investigatory and an educational body for staff, faculty, and students' complaints against student conduct on the UD campus. Should you feel that a student's behavior has been in violation of a University regulation, the complaint should be submitted in writing to the Campus Hearing Board through the Student Affairs Office or any member of the Board.

Jane Marie Gaul      January 5, 1951 to July 7, 1973

Do not stand at my grave and weep  
I am not there. I do not sleep  
I am a thousand winds that blow.  
I am the diamond glints on snow  
I am the sunlight on ripened grain  
I am the gentle autumn rain  
When you awake in the morning's hush,  
I am the swift upflying rush  
Of quiet birds in circling flight  
I am the soft star-shine at night  
Do not stand at my grave and cry  
I am not there, I did not die.

**Reach-Out**

The University of Dubuque's first intercollegiate volleyball team was begun in the 1973-74 school year. This is the first of many women's sports to happen on the U. of D. campus. The teams, "A" and "B" both consisted of 8-10 members, some of which rotated to and from both teams. The members of the intercollegiate teams were: Linda Koster, Linda Riley, Cheri Mason, Vicki Kelly, Rhonda Bull, Liz Farley, Fern Tilford, Judy Holland, Judy Christman, and Judy Harris. The coach for the team was Ms. Betsy Anglim.

The teams this year finished with a pretty good standing considering the support and the experience of the people on both teams. The volleyball team played in two major tournaments and several individual games on their home court and away. The team's first efforts were expelled in a game to Univ. of Wisconsin-Platteville where we were downed in both games and both teams lost. The second, again to Univ. of Wisconsin-Platteville was again downed but not without a definite battle on our part to prove we could do it.

The next games to follow were against Cornell, Coe, Upper Iowa and two major tournaments played throughout the season. Participating in two tournaments at Central and Upper Iowa, the team took 3rd place out of 6 teams and 2nd of 4 teams respectively. To end the season the U. of D. first intercollegiate volleyball team had a standing of 6-6.

## FRATERNITY ACTIVITIES

The fall semester found the Mu Sigma Beta Fraternity in many of the same places it was a year ago. Car washes helped supply the alcohol and the Mu Sigs provided the place for a sprinkling of parties throughout the first semester, the most memorable being the annual Christmas party with Brian Lynch dressed in Santa attire.

The second annual Mu Sigma Beta-Gamma Phi Delta Thanksgiving Canned Food Drive was a

success this as it was last year. Over a ton of groceries were collected in the drive to help people less fortunate than ourselves. Bryan Dunn deserves the credit for this year's success.

The Mu Sigma Beta Fraternity, founded April 20, 1939, celebrated their 35th Anniversary this year; the same night in which their six new pledges were presented to the other Greeks on campus.

Athenaeans Formal Rush Party.

Dave, Roger, and Greg.

The first Wednesday of the year the A's threw a kegger, which set the pace for the remainder of the year. Car washes were held to finance a Christmas party as well as Rush parties and various other parties during the year.

The Athenaeans are a select, very closeknit fraternity. This year they had a large pledge class of 16. They are: R. Bauman, G. Bernard, G. Cambell, K. Keil, C. Klaren, T. Williams, R. Canvanagh, M. Cueno, B. Gearhart, D. Durkes, R. Gibbs, R. Hunt, G. Northrup, R. Toomer, D. Wassen and D. Westcott.

# Brothers

The resident blue jay swoops down  
then glides from the poplar  
to the trash can.  
Boney twig feet to the metal edge  
with a click.  
Head alert, it twists sideways,  
apart from the body.

Smug aristocrat is he, a  
a pauper-king in blue plumes.  
He observes his back yard domain.  
All is safe for the moment,  
the cats are inside  
chasing each other.

Quickly, he bends low for dinner...

The bird and I are brothers:  
Both stooped kings  
living day to day, morsel to morsel,  
quivering in fear of the beast.

## Dubuque Student Chapter of the Council for the Exceptional Child

Think of me first as a person,  
who hurts & loves and feels joy.  
And know I am a child to en-  
courage and direct.

Smile, and say hello - even that  
is enough...

The purpose of this organization  
is to promote the education and  
welfare of the exceptional child  
both handicapped and gifted. This  
philosophy serves as the corner-  
stone for our work as a local  
chapter of C. E. C.

and enjoyed this year greatly.

This is not primarily the place where we have to be .....

It is the place where we are.

This is not our prison but our home.

It is the road we must walk and the walking of it is called life .....

Because we will walk it only once, then how important it is

that we should walk it with some purpose,

that we can call our own .....

Each of us was made by God  
and some of us grew tall.  
Others stood out in the wind  
their branches bent and fell.  
Those of us who walk in light  
must help the ones in darkness up.  
For that's what life is all about  
and love is all there is to life.

Each of us was made by God  
beautiful in His mind's eye.  
Those of us that turned out sound  
should look across our shoulders once  
and help the weak ones to their feet.

It only takes an outstretched hand.

Awake the dormant voice and sing  
Till air is rent and heavens ring;  
And echo peals from mount to sea,  
Hail! Alma Mater hail to thee.

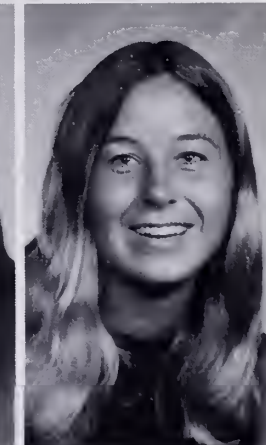

With accent varied swells our song  
To thee, thou noble true and strong;  
Thy fame rolls on o'er land and sea,  
Hail! Alma Mater hail to thee.

Thy brow is crowned with heav'nly light,  
And truth is resting on thy right;  
The nations look, and sigh to thee,  
Hail! Alma Mater hail to thee.

Forever live, thou nations guide
